Subject: Call for Erasmus Mundus Plus (Erasmus+) Proposals

We are pleased to announce the call for Erasmus Mundus Plus (Erasmus+) Proposals. Erasmus+ is the EU Programme in the fields of education, training, youth and sport for the period 2014-2021. Institutions wanting to participate in Erasmus+ may engage in a number of development and networking activities, including strategic improvement of the professional skills of their staff, organisational capacity building, and creating transnational cooperative partnerships with organisations from other countries in order to produce innovative outputs or exchange best practices.

In addition, organisations facilitate the learning mobility opportunities for students, staff, trainees, apprentices, volunteers, youth workers and young people.

Currently, the University of the Philippines has four (4) approved Erasmus+ Programs for 2017-2018:

1. Joint Master Degree -Food Security and Climate Change with UP Los Baños as partner
2. COMPETEN SEA "Capacity to Organize Massive Public Educational Opportunities in Universities of Southeast Asia" with UP Diliman as partner
3. Tuning Asia-South (TA-SE) with UP System as partner
4. Strategic IP Management for Effective R&I in Asian Higher Education (SPIRE) with UP System as partner

In many instances, the European universities invite their partners for the Erasmus Mundus + Program, however, proposals may be initiated by partner universities.

Online information is also available at https://ec.europa.eu/programmes/erasmus-plus/calls-for-proposals-tenders/2016-cac-a03_fr. Please take note of the different deadlines posted on the website. Proposals for 2018-2019 should be submitted in February 2017.

We look forward to your wide circulation/dissemination of this announcement to your respective units. Thank you.
